* INTERACTING WITH LISTSERV VIA THE WWW *
**********************************************
```

Subscription settings and preferences can be set using LISTSERV's web interface. Once you have set a server password as explained above, you may log in and set your preferences at:
http://list.aristotle.net/scripts/wa.exe?SUBED1=LINAC-ENG.

```
*****************************************
* INTERACTING WITH LISTSERV BY EMAIL *
*****************************************
```

You may leave the list at any time by sending a SIGNOFF LINAC-ENG command to: LISTSERV@LIST.ARISTOTLE.NET, or by sending a blank email to: LINAC-ENG-signoff-request@LIST.ARISTOTLE.NET.

You can also tell LISTSERV how you want it to confirm the receipt of messages that you send to the list. To send yourself a copy of your own messages, send a SET LINAC-ENG REPRO command.

Alternatively, to have LISTSERV send you a short acknowledgement instead of the entire message, send a SET LINAC-ENG ACK NOREPRO command. Finally, you can turn off acknowledgements completely with the SET LINAC-ENG NOACK NOREPRO command.

Following instructions from the list owner, your subscription options have been set to "REVIEW" rather than the usual LISTSERV defaults. For more information about subscription options, send a QUERY LINAC-ENG command to LISTSERV@LIST.ARISTOTLE.NET.

You may also check your current settings on the list subscription page at: http://list.aristotle.net/scripts/wa.exe?SUBED1=LINAC-ENG.

More information on the tools and options available for list subscribers may be found in the official L-Soft online documentation at:
http://www.lsoft.com/resources/manuals.asp.
